

Fridge Program Grant Application

Thanks to funding from ActNow BC, your school may be eligible to receive a \$1000 grant to put towards the purchase of a refrigerator. All schools in BC that are currently running either BC Dairy Foundation's Elementary School Milk Program **or** the BC School Fruit & Vegetable Nutritional Program are eligible to apply. Grants are awarded based on a school's need for adequate fridge space to run the above named healthy eating initiatives.

Schools that are awarded a Fridge Program Grant will be required to submit a copy of the refrigerator's purchase receipt to the Fridge Program c/o BC Dairy Foundation. The school may purchase a refrigerator from the supplier of their choice, and will be responsible for arranging its delivery and installation in the school. If the cost of the refrigerator chosen by the school is less than the \$1000 granted, the remaining funds may be used to support healthy eating initiatives within the school.

The school will assume responsibility for proper operation, maintenance and repair of the fridge purchased.

To apply for a Fridge Program Grant, fully complete the form on the reverse page and return to BC Dairy Foundation Fridge Program, 3236 Beta Ave, Burnaby BC V5G 4K4, or fax to 604-294-8199. Please allow 2-3 weeks for applications to be processed.

Elementary School Milk Program

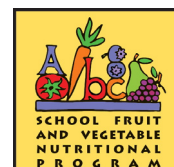

If your school is not yet registered on the Elementary School Milk Program, sign up today! For more information visit www.bcdairyfoundation.ca or call us toll free at 1-866-582-MILK

BC School Fruit & Vegetable Nutritional Program

Is this school currently registered with the BC School Fruit & Vegetable Nutritional Program?

Yes No

Please describe the fridge space currently available at the school and explain the school's need for additional fridge space. Use a separate sheet of paper if necessary.

PLEASE READ CAREFULLY AND SIGN BELOW

As a representative of the above named school, the undersigned recognizes that grants will be awarded at the sole discretion of the Fridge Program partner organizations. As funding is limited, schools with the greatest need for fridge space will be given priority. If awarded a grant, the school accepts full responsibility for sourcing, ordering, set-up, operation, maintenance and repair of the fridge. Any costs associated with running the refrigerator (e.g. electricity charges) are the responsibility of the school and/or school district. As owner of the refrigerator, the school acknowledges that BC Dairy Foundation, its directors, officers, employees and agents, are in no way liable for any claims, costs, or expenses arising from the use, storage or maintenance of the refrigerator. The school agrees to submit a copy of the fridge purchase receipt to BC Dairy Foundation.
